

CRUSADER MAILING LIST UPDATES

Members whose mailing addresses are incorrect are automatically being removed from the Crusader mailing list because the state has to pay for each undelivered paper. Therefore, it is vitally important that members keep both their local Council and the Supreme Council aware of any address changes. Please use the following methods to make your new address known to both.

1- Preferred Method-

A. Log on to Supreme website – www.kofc.org

- Click on “For Members” option in right hand box
- Scroll down to “Update Contact Information” and fill in the required information and submit
- Contact your Council Financial Secretary with your change of address also

B. Email address changes to addresschange@kofc.org. Be sure to include your old and new address, your council number, and your membership number.

2- Alternate Method if no computer access-

- Contact your Council Financial Secretary
- Provide FS with your “old” and “new” address
- FS will make change via Member Management or submit a Form 100 with your new information

3- Final choice if above two methods are not able to be used – (will only be valid for the current issue)

- Send “old” and “new” address information to:

**The Crusader

or email changes to tntliefbig@iw.net
